

# GCSE - Summer 2024

This is the generic Summer Exam season timetable, for revision purposes and is correct as at 6 February 2024.

All students will receive their individual timetables for the season approximately two weeks prior to the start of the exam season. Students who have a clash of exams from this timetable will find their individual timetable will have been adjusted to accommodate at that point.

All students must be available to sit an exam up to and including contingency days should the board decide to reschedule at any point.
