

HSA OUTREACH MEETING

MONDAY 20 OCTOBER 2008 ~ 7.30 pm

SPALDWICK PRIMARY SCHOOL

Come along and meet the headteacher and senior staff

The meeting is a new event in the Hinchingsbrooke School calendar. Its purpose is to provide a Forum for parents to discuss with the headteacher and other senior staff priorities for improvement action. We have planned the forums in partnership with our parents' association, the HSA. Each term we will take the Outreach Forum to a partner primary school. We are beginning with this meeting at Spaldwick to provide easier access for families living in the A14 west corridor on this occasion. However, all existing parents are welcome, wherever you live.

In addition to the meeting in the evening of 7 October for 2009 entry, we are inviting Year 5 and 6 parents from this area of our catchment to join existing Hinchingsbrooke parents at the Forum. It will give parents a more informal opportunity to hear what challenges and opportunities lie ahead for the school.
