

Dear Parents / carers,

We are very sorry that the subject outlines in the recent Key Stage Four Curriculum Choices booklet for GCSE Graphics and GCSE Resistant Materials were identical.

Please find attached a correct version of the subject outline for GCSE Resistant Materials. The subject outline in the booklet for GCSE Graphics is correct and should be referred to if a student wishes to take this course.

If you would like any further details then please feel to contact myself ([hoy9@hinchbk.cambs.sch.uk](mailto:hoy9@hinchbk.cambs.sch.uk)) or Mr Dunkley (Head of Design Technology [rwd@hinchbk.cambs.sch.uk](mailto:rwd@hinchbk.cambs.sch.uk)).

Please accept my apologies for any inconvenience this error may have caused.

Yours sincerely,

Alistair Dewar  
Head of Year 9
