Dear Parents and Carers,

Re: Exciting news for our school community

We are thrilled to announce that ACES has officially joined The CAM Academy Trust. This partnership brings enhanced resources, opportunities, and support for our schools, ensuring the very best for your children.

Our focus remains on providing high-quality education and a nurturing environment for every pupil. Joining the CAM family of schools strengthens our ability to deliver on this promise and opens doors to new initiatives and shared expertise.

Day to day – you won't notice big changes. Over time, we hope you'll see the positive benefits of being part of a larger family of schools.

Thank you for your continued support. The newly merged trust will continue to place significant value on community partnership and representation. We look forward to working together as we begin this exciting journey.

Warm regards,

Claire Heald
Chief Executive Officer
