These masterclasses before half term, are during lesson times. The letter tells you which class if there is more than one class for a subject. So for example, History has classes in blocks B, C and E. Your timetable will tell you which group you are in. **You should not be leaving a lesson to go to a masterclass.** They are in the location your lesson usually takes place in. These masterclasses are **COMPULSORY!**

These masterclasses, AFTER half term are by invitation only. You will receive a letter to tell you which ones you have been invited to and where they will take place.
