

Mathematics Courses 2019 onwards

GCSE

The overwhelming majority of our students are entered for AQA 8300 GCSE Mathematics

<https://www.aqa.org.uk/subjects/mathematics/gcse>

- Students are entered for Foundation or Higher tier
- Students sitting the Foundation tier exams can obtain grades 1 to 5
- Students sitting the Higher tier exams can obtain grades 3 to 9

Additional/Alternative Qualifications

- Alternatively, and by only by agreement, some students are entered for
 - Functional Skills <https://www.aqa.org.uk/subjects/mathematics/functional-skills/mathematics-8361-8362>
 - Entry Level Mathematics
- In addition to GCSE Mathematics, some students are invited to enter for Level 2 Further Mathematics. <https://www.aqa.org.uk/subjects/mathematics/aqa-certificate/further-mathematics-8365>

Sixth Form Studies

There are several options available to study, each with prerequisite grades from GCSE (see the Hinchingsbrooke Sixth Form Prospectus).

- Level 3 Mathematical Studies (Core Maths)
<https://www.aqa.org.uk/subjects/mathematics/aqa-certificate/mathematical-studies-1350>
- A Level Mathematics
<https://www.ocr.org.uk/qualifications/as-and-a-level/mathematics-a-h230-h240-from-2017/>
- A Level Further Mathematics
<https://www.ocr.org.uk/qualifications/as-and-a-level/further-mathematics-a-h235-h245-from-2017/>
