## **INTRODUCTION**

In accordance with the planning duty in the Disability Discrimination Act, 1995, as amended by the SEN and Disability Act 2001 (SENDA) and Schedule 10 of the Equality Act 2010, the school is required to have a 3 year accessibility plan which addresses:

- How we plan to increase the extent to which disabled pupils (including those with SEN) can participate in the school's curriculum;
- How we can improve the provision of information to disabled pupils (which is already in writing for pupils who are not disabled); and
- How we can improve the physical environment of the school in order to increase the extent to which disabled pupils are able to take advantage of education and associated services of the school.

The Equality Act defines disability as '*A physical or mental impairment which has substantial and long term adverse impact on a person's ability to carry out normal everyday activities.*' This has some overlap with the definition of SEN in the Children and Families Act 2014.

**We value the diversity of our school community and appreciate the contribution that pupils with SEND can bring to school life; we therefore seek to remove, where reasonably adjustable, barriers to entry for pupils with SEND.**

### **1. ACCESS TO THE CURRICULUM**

Please refer to our Special Educational Needs Policy, SEN Information report, English as an Additional Language policy and Curriculum policy for further information.

At Hinchingsbrooke School our values reflect our commitment to a school where there are high expectations of everyone. Our aim is for children to be provided with high quality learning opportunities so that each child attains and achieves all that they are able to. Everyone in our school is important and included. We promote an ethos of care and trust where every member of our school community feels that they truly belong and are valued. We work hard to ensure there are no invisible children here, recognising everyone's uniqueness and success. We recognise learning in all its forms and are committed to nurturing lifelong learners. We are a safe school, committed to improving children's confidence and self-esteem. We know that safe and happy children achieve well and thrive.
