

Student Absence Guidelines for Work – Years 9, 10 & 11

Hello.

Sorry that you are not able to be in school at the moment.

Whilst working from home, it is a good idea to try and follow your normal timetable for the subjects you do each day, spending an hour working on each subject.

Please click on this link below in order to see the document 'HBK Curriculum at a Glance'.

Look up in the document what topics you are currently studying in each of your subjects, as well as what you know from your recent work in class.

Once you know the topics you are studying for each subject, here are 3 websites for you to search for online lessons and work related to each topic:

Oak Academy:

BBC Bitesize:

Seneca Learning:

Individual departments may have provided you with links to subject specific websites, which you can also use.

We look forward to seeing you back in school soon.
