

## Principal's Message - Week Ending 20 11 2020

Dear Parents and Carers

### **COVID-19 update**

We had 2 reported positive cases of COVID-19 this week. Both were students who were already self-isolating as a result of being a close contact of someone else, so there appear to be no implications for other students or staff at this time.

### **Year 9 virtual parents evening this week**

Many thanks to all parents who were able to attend this virtual event! It was our first go at an online parents evening and despite some teething issues, it appeared to go well overall. We have had some lovely feedback from parents, who appreciated, in particular, not having to wait around for appointments in a crowded Middle School! If you haven't yet completed the survey and are willing to, below is the link and the message from the Year 9 team:

*Please could you complete our feedback form by accessing the link below. We are seeking feedback both about the online Parents Evening and about your general opinions of the school. Even if you were unable to attend the Parents Evening, we would still be interested in getting feedback from you.*

### **Year 7 parents evening**

Just a heads-up that the Year 7 parents evening will take place on 10 December. Our plan is to do the event remotely, too; more details for Year 7 parents will follow soon.

### **Year 11 'Nightclub'**

The 'Nightclub' continues on Mondays to Thursdays each week from 3.15 to 5.15 in school; all Year 11s welcome! Do remind and encourage your child.

### **Hinchingsbrooke is 50!**

Despite the constraints of the pandemic, we are keen to mark Hinchingsbrooke School's 50<sup>th</sup> birthday, which is this year! Please find all of the details on the attached poster and if you would like to contribute, we would love it!

Keep safe.

We are Hinchingsbrooke.

Kind regards,

Mark Patterson

Principal

**Hinchbrooke School is celebrating 50 Years on our current site  
We would like your help to commemorate this momentous occasion**

We would like to invite staff and students, both past and present to record a short video including some or all of the following:

- What is your fondest memory of your time at Hinchbrooke School?
- How did Hinchbrooke School help you to become the person you are today?
- Did you know...? (can you share any information about your time at Hinchbrooke that current students might not know?)

If you have a picture of yourself in your Hinchbrooke uniform please send this in as well

We will be collating these videos and pictures into a video to share with our Community in celebrating **50** glorious years

Please send videos and pictures to:
