

## **French A Level: Transition Work**

**Well done for making the excellent decision to do French at KS5. Ce sera super bien!**

### Task 1 - Speaking presentation

Please prepare a 2-minute presentation in French about yourself for the first lesson so we can all get to know each other better. You can make a Powerpoint, or just bring a few notes to help you.

You could include the following:

- Personal details.
- Family and friends.
- Your hobbies.
- What plans you have for the future.
- Any visits to France/French-speaking countries – that you have done or would like to do in the future.

### Task 2 – Mon journal

Keep a weekly diary in the perfect tense (what you did) and the future tense (what you will do tomorrow). Aim to write at least 100 words a week.

### Task 3 - A écouter: (des podcasts)

Coffee Break French – Upper Intermediate level.

One Thing in a French Day

### Task 4 - A regarder: (des émissions)

Lupin – series (Netflix) AND/OR...

Engrenages (Spiral, in English) - series (BBC iPlayer)

### Task 5 - A lire:

Read an article a week (at least) from this website: <https://www.lawlessfrench.com/reading/>

Choose your favourite article you have read and be ready to tell us about it in September.
