

Dear Parents and Carers

I am writing to confirm that following consultation with parents and students, the proposed changes to the timings of the school day will be going ahead from September 2020. Responses from parents and students to the proposed changes were overwhelmingly positive and where questions have been raised, these have been answered. The most frequently raised query related to lunchtime arrangements so I would just like to take this opportunity to reassure you all that we will be working with our catering contractors, Chartwells, to improve the way in which food is served in the future. Our transport providers have been informed of the changes. Where any changes in bus timetables are made, these will be communicated to you by the bus company.

Obviously we are not yet certain as to the circumstances under which the school will be operating from September and it is therefore possible that these changes may not fully come in to effect straight away. We will of course keep you up to date as and when we have further information.

During these extraordinary times we would like to thank you for your continued support for the school including your engagement in this School Day Review process, which we are confident will have a positive impact on staff and students.
