

Dear Parent/Carer,

Showstopper Dance Production Ticket purchase – 7th 8th & 9th March 2023

Exciting news! **SHOWSTOPPER** Dance production tickets will go live this evening.

This production showcases exam dance work, dance work from lessons and extra-curricular clubs. Students have been working very hard and we would very much like the support of family to come and see all their hard work on the evening(s).

Tickets

The production is being held in the Performing Arts Centre (PAC) and tickets are priced at £7 adults and £5 for concessions.

The tickets will be available to purchase online: <https://www.ticketsource.co.uk/pac>

Tickets are not available on the door on the night.

Just a reminder the following classes are performing on the following nights:

Class 9A – Tuesday and Thursday
Class 9C – Wednesday and Thursday
Class 10C – Tuesday and Thursday
Class 10D – Wednesday and Thursday
Class 11B – Wednesday
Class 11C – Tuesday
Class 11D – Thursday
Club Pieces from year 7 and 8 will be in **all 3 nights**.

Please make sure you select the right night on purchasing.

On the nights of the Show

I have decided to push the show forward to start at **7pm**.

On the performance evenings I will require all dancers who are performing on the night to be assembled in the PAC for **18.30pm**. It would be extremely helpful if the dancers arrived already in costume and made up, as space is restricted.

Please be advised not to send your child in with valuables, as we cannot take responsibility for any items that might become lost or damaged.

I am also happy for year 7 and 8 students to leave once they have finished their performances; however, they will be required to sign out before they leave.

I look forward to welcoming you on the evening for what will be an amazing 3 nights of show performances. If you have any questions, please contact Miss Phillips on the email below.

Yours faithfully,

Laura Phillips

Head of Dance
