School
Service Children**

Mrs Stevens & Mrs Thomas Hinchingsbrooke School

- Mrs. Stevens who works in the PE Department & Mrs. Thomas who works in the SEND Department (Basecamp) are your main points of contact for the Service children's group.
- We both have children who have grown up as Service children, so understand some of the issues that you may have.

Military in the local community

- Hinchingsbrooke has a long history of working with the military communities in our area, working in conjunction with RAF Wyton and RAF Brampton when it was still in service. many service children have attended our school.
- Head Student board in association with RAF Wyton

What is the aim of our group?

- **To provide a Service Children's family within school and a support network for you.**

ASSEMBLIES

To come together for regular assemblies where we can pass on information or discuss topics that are relevant to the group

SUPPORT

To provide a support network for you while you are in school.

This could include:

- Help with schoolwork
- Someone to read with
- A listening ear
- Things that you tell us you need help with

Lunch

- **To meet up for lunch once a term, giving you the opportunity to meet other Service children and to sit and chat over experiences, both in and out of school and highlight any issues or worries that you may have.**

Buddies and Mentors

To provide buddies or mentors for Service children needing a little extra help in school or who just need a friend to talk to.

WHAT IS MENTORING?

There are many aspects to mentoring, but it can be best summed up as...

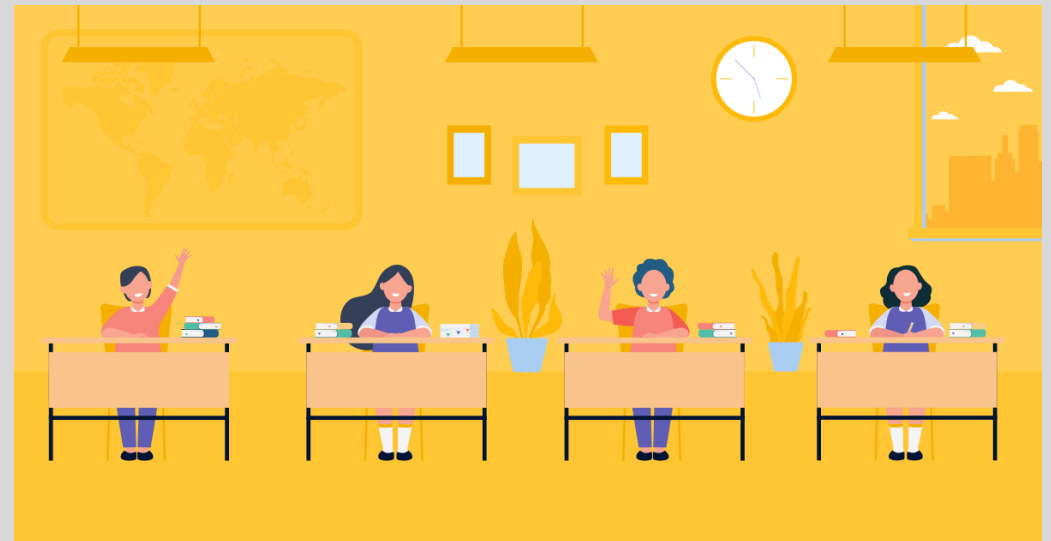

“Mentoring is a brain to pick, an ear to listen, and a push in the right direction.”

John C. Crosby

Committee

We would like to form a management team or committee made up of students to assist with planning activities, helping out at events etc.

Activities

We would like to organise a couple of activities for you each term. They will probably take place after school or at weekends.

We have some ideas of things that we could organise but would like your ideas of things that you would like to do?

If you have any ideas please let us know and we will consider them.
