

## Welcome to Hinchingsbrooke A level French

The following tasks will help you to prepare for A Level French. The key to success in languages is, as always, regular revision and practice. In order to keep up the language skills you have already acquired you should spend a few hours each week on these tasks over the summer. Your German teachers will expect you to bring the completed tasks to your first A level French lesson.

### Task 1 – Grammar booklet

### Task 2 – Diary ( mon journal)

Keep your own diary for a week of the summer holiday, using the perfect tense.

(je suis allé(e)/je suis resté(e)/j'ai joué/nous avons fait...)

In order to raise the level of your language you will also need to include some of the following in the same way as you did at GCSE:

- Connectives (et, mais, cependant, pourtant, aussi, néanmoins...)
- Adverbs of time/frequency (ce matin/après-midi/soir, aujourd'hui, hier, de temps en temps...)
- Modal verbs (je peux/je dois/j'aime etc. + infinitive at the end)
- Opinions+ personal reactions
- Don't just stick to "je", include examples of verbs in the 3rd person singular form (he / she / my mum) and the 3rd person plural form( they / my friends)
- Can you include some future tense too? (Demain je vais... je ferai..)

### Task 3 - Speaking presentation

Please prepare a 2-minute presentation in French about yourself for the first lesson so we can all get to know each other better. Have some notes to help you, but you are not expected to just read notes.

You could include the following:

- Personal details.
- Family and friends.
- Where you live (good /interesting places, thing to do etc...).
- Your hobbies and school life.
- What plans you have for the future.
- Opinions!
