

## **Transition Work for Maths**

All prospective Year 12 Maths students should complete this Bridging unit assignment. This will help you prepare for all the key skills and concepts to enable you achieve real success in post-16 Mathematics.

It is important that you answer all the questions to the best of your ability and show all your working out clearly. The assignment is to be completed during the holidays and you will need to bring this to your first Maths lesson.

### **Help with the Assignment**

In order to help you complete the assignment, you may wish to practice questions using the **free** booklets available from the following link (in the text box entitled "FREE GCSE-to-A-Level bridging material"):
