

What is AGT at Hinchbrooke?

What does AGT stand for?

- **ABLE** - very high ability, potential or attainment in one or more subject areas
- **GIFTED** - exceptionally high ability, potential or attainment in core subjects, or outstanding ability in a single subject
- **TALENTED** - very high ability, potential or attainment in sporting or creative subjects

-

What do we do at HBK?

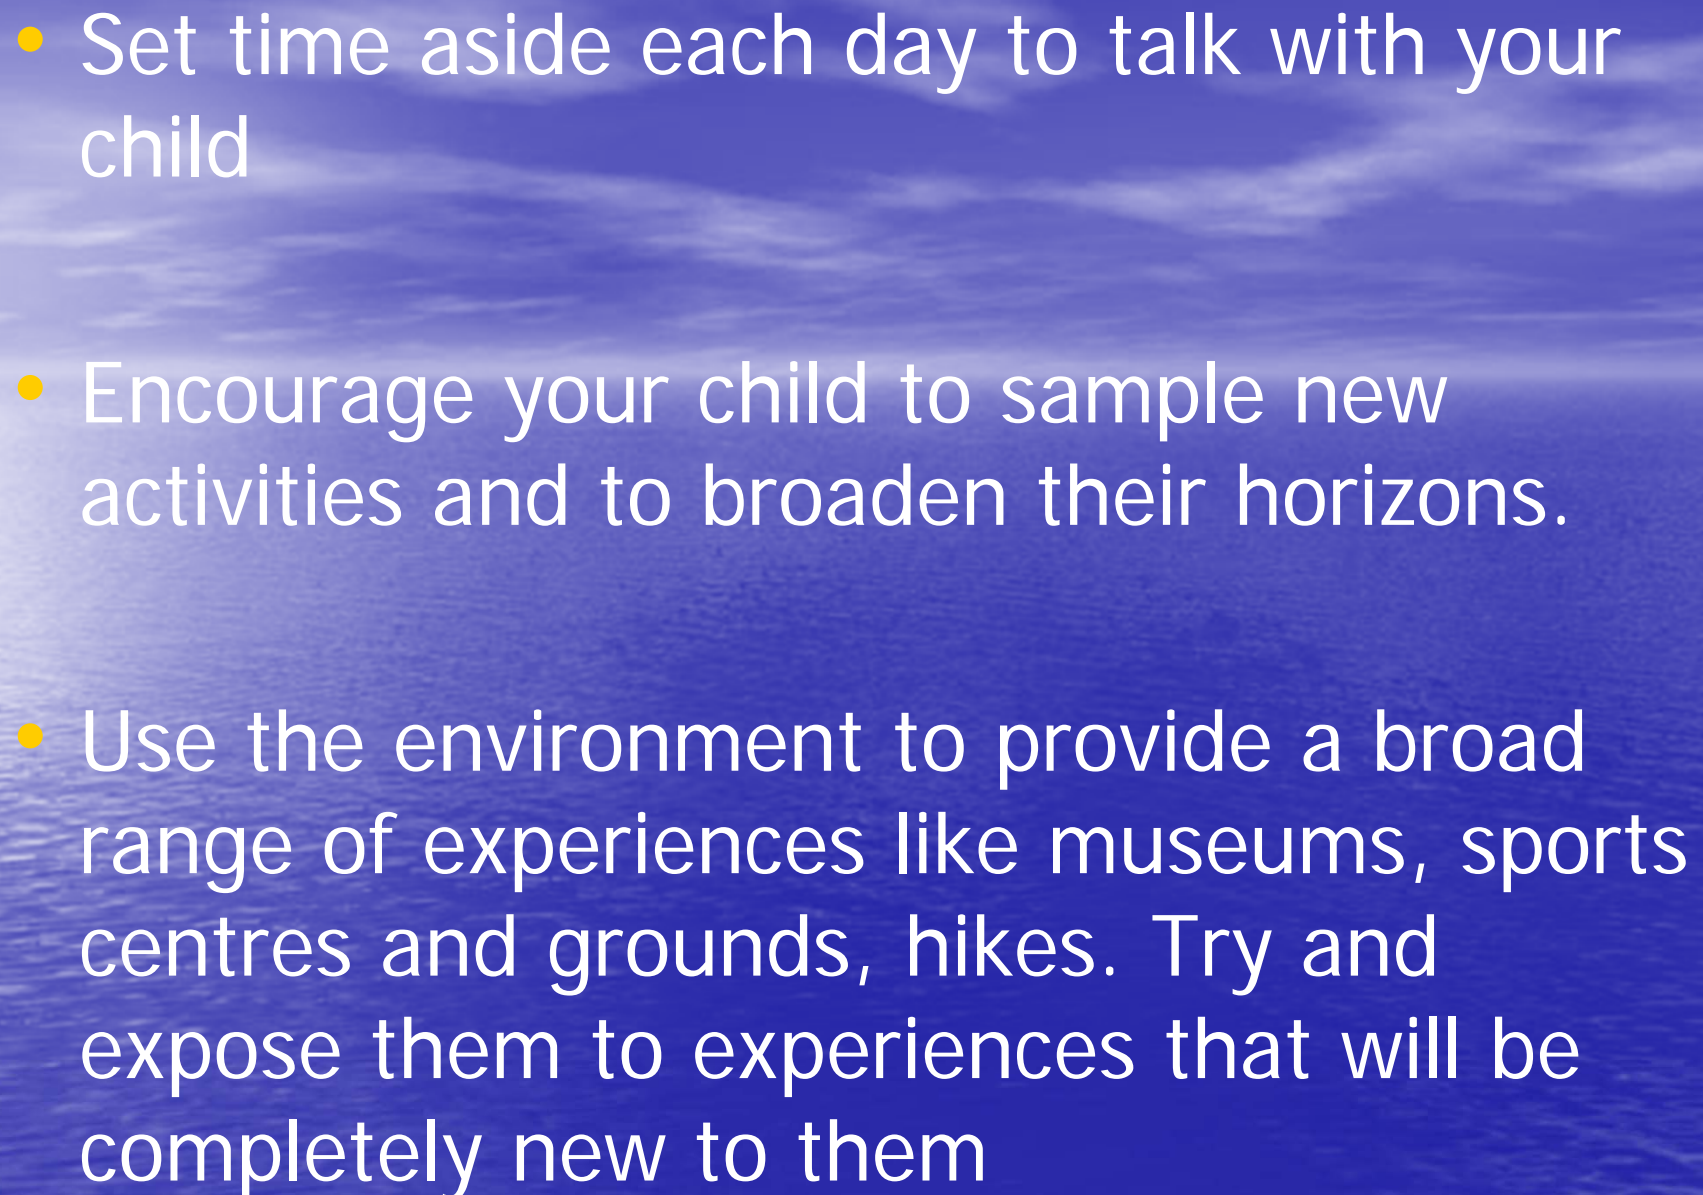

- Register
- In the classroom
- How will I know if my child has been recognised?

Is AGT at Hinchbrooke fair?

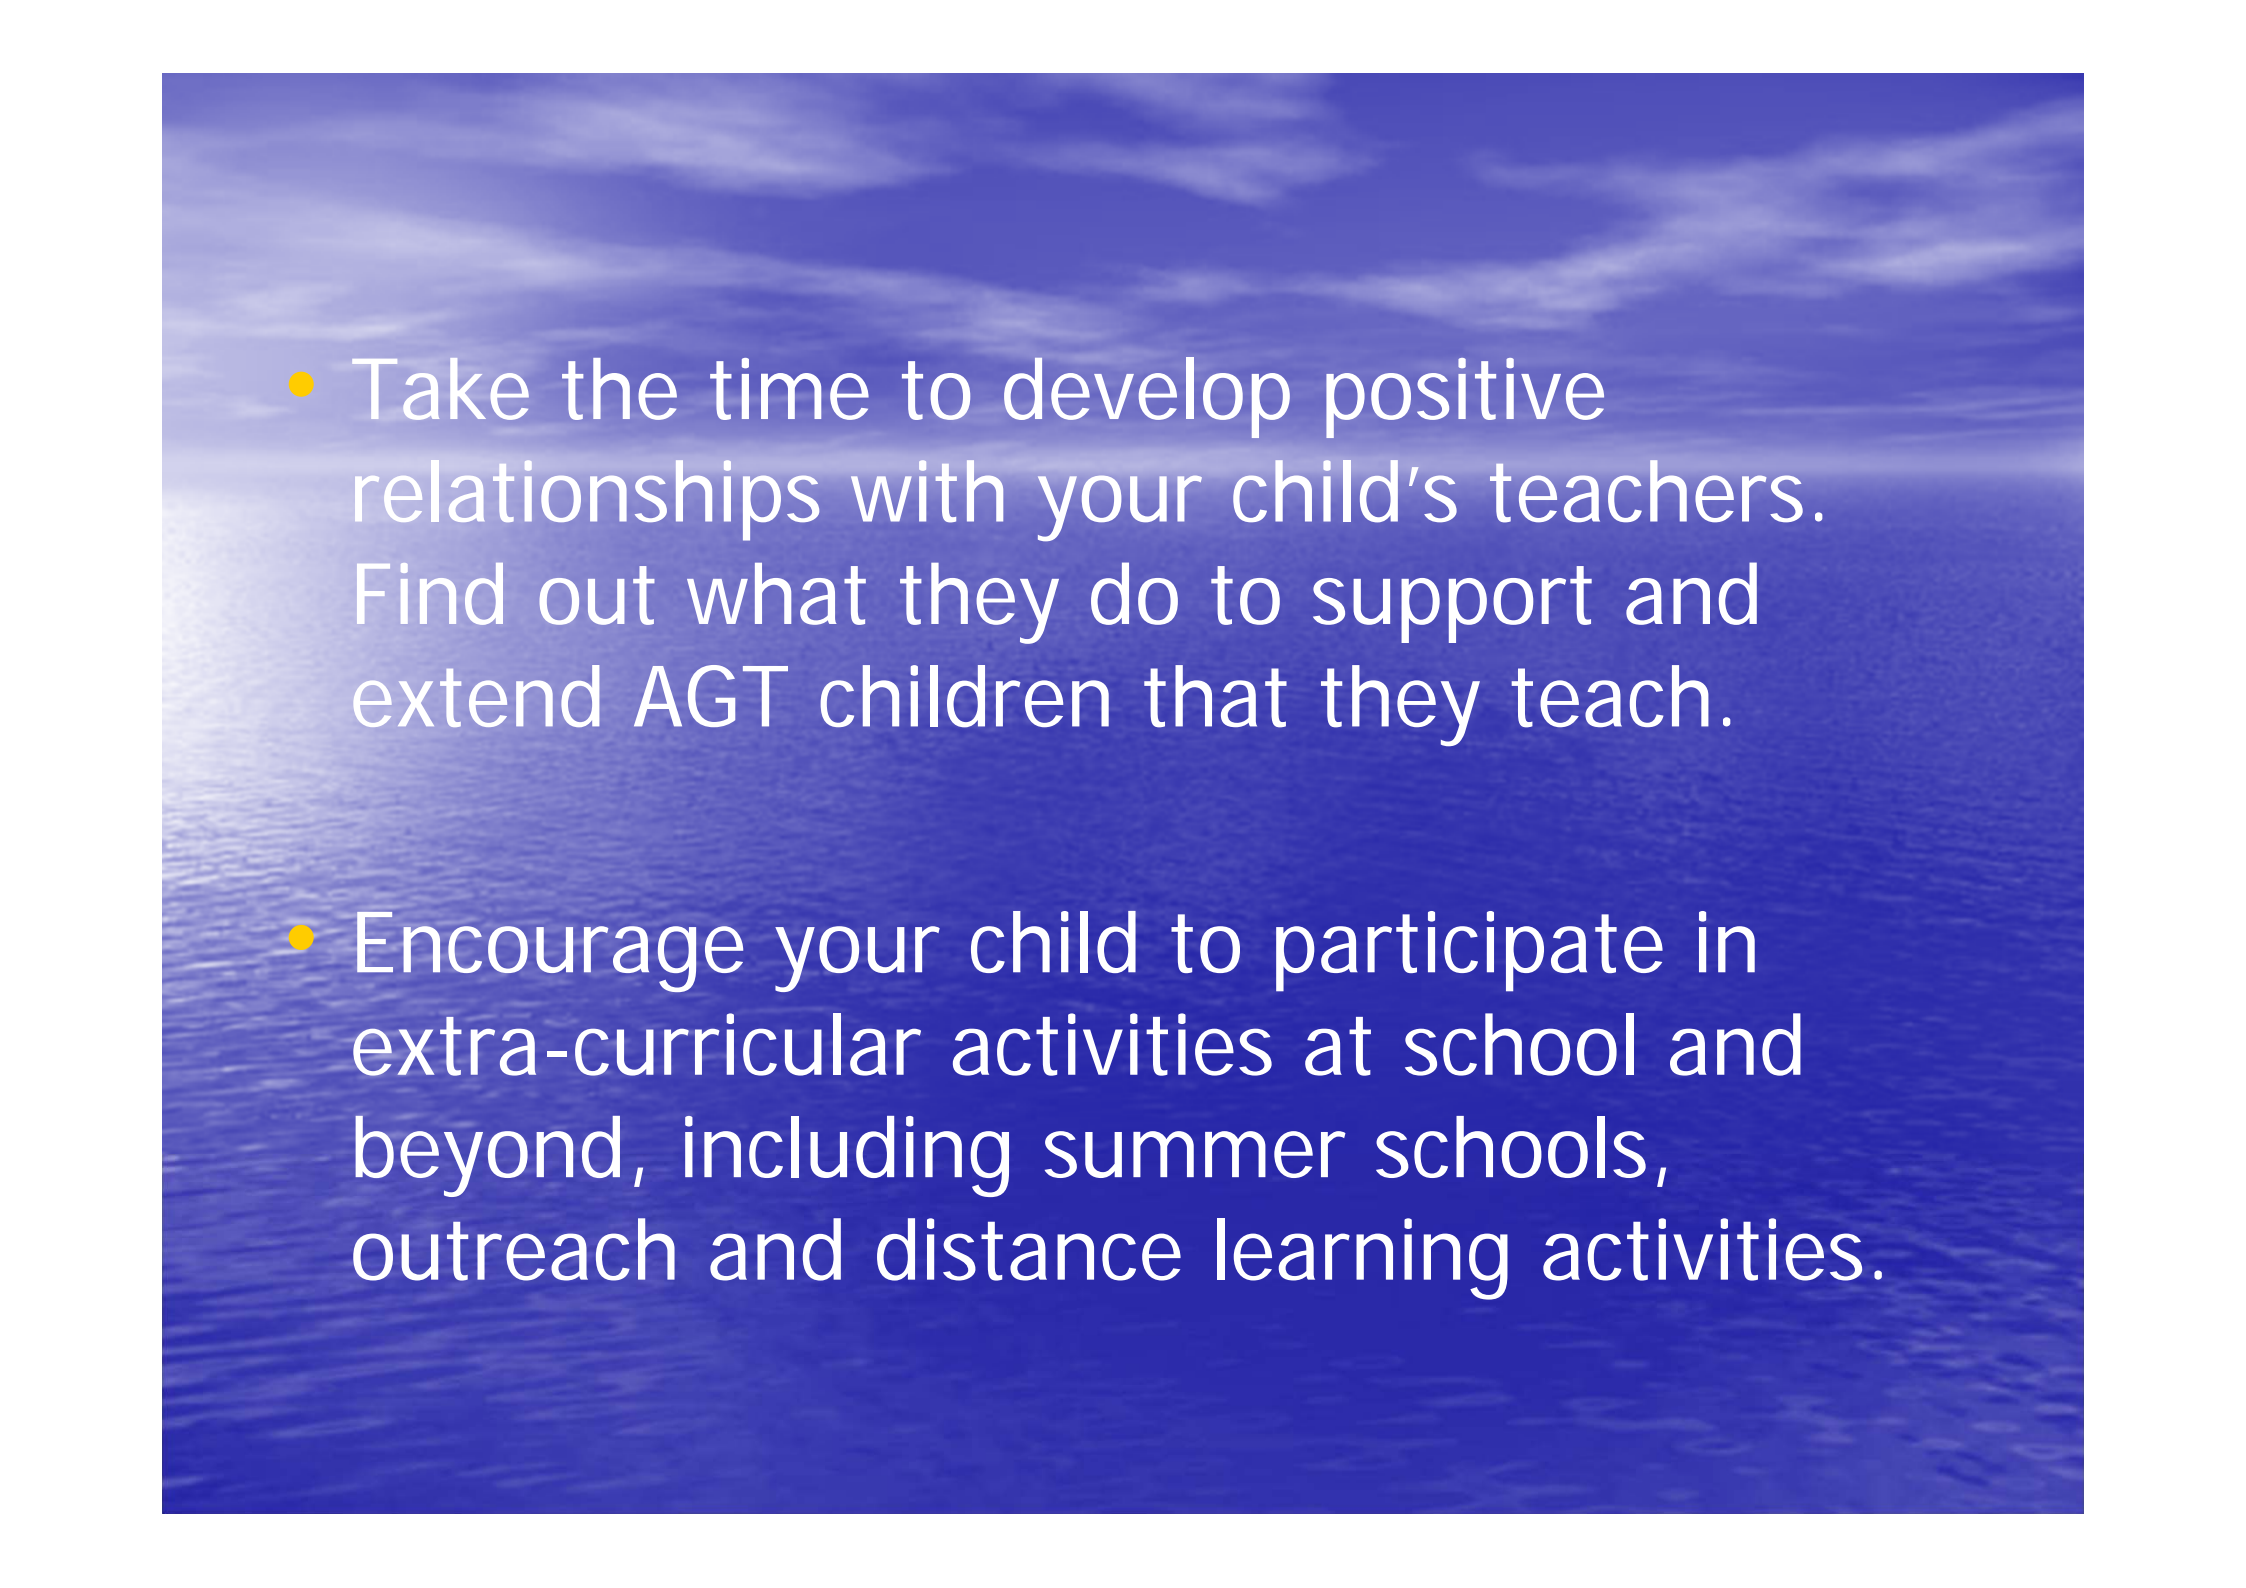

It is as fair as we can make it at school but to help us make it even fairer we do have a nomination form if parents feel that their child has been 'missed' or not recognised which can be found on the web-site.

How can you support your AGT child?

- Share information about your child's strengths, interests and achievements including any particular gifts or talents that they have and are developing out of school.
- You are welcome to discuss with the school how we intend to support your child.

- 
- Set time aside each day to talk with your child
 - Encourage your child to sample new activities and to broaden their horizons.
 - Use the environment to provide a broad range of experiences like museums, sports centres and grounds, hikes. Try and expose them to experiences that will be completely new to them

- Provide resources to support learning at home like the internet, books and maps to mention a few.
- Give your child every opportunity to make friends, including those who share the same interests.
- Read all you can about giftedness and talent and learn about the characteristics of gifted children.

- 
- Take the time to develop positive relationships with your child's teachers. Find out what they do to support and extend AGT children that they teach.
 - Encourage your child to participate in extra-curricular activities at school and beyond, including summer schools, outreach and distance learning activities.

- 
- If your child complains about being bored, or finding the work too easy, take their comments seriously and seek a solution with your child and us.
 - **FINALLY MAKE SURE YOUR CHILD ALSO HAS TIME TO RELAX AND PLAY!!**
