## **HBK Update, Friday 12 June 2020**

Dear Parents and Carers

### **Wider reopening for Year 10 and Year 12 students**

We have been working hard to ensure we are prepared for the return of our Year 10 and Year 12 students. This includes small groups of Year 10 students so they can attend on a specific day each week, starting the week beginning 22 June. We are planning to send information about days and teaching groups to the relevant parents/carers by email on Monday 15 June.

We are also looking forward to seeing Year 12 from next Monday 15/Tuesday 16 June, and we are disappointed that we cannot welcome back students from other year groups at this time.

### **Work for students beyond Doodle**

Just a reminder that BBC Bitesize and Oak Academy both have a wealth of teaching and learning resources that your child can access, should they wish to, beyond the work that teachers set on Doodle. Here are the links:

### **Students' wellbeing**

This is a hard time for everyone and we want you to know that if you think your child could benefit from some additional support from school, you can talk to us. You might be best to talk to your child's tutor in the first instance, as they know your child best.

Best wishes for a restful weekend.

Keep safe.
