HBK Update, Monday 22 June 2020

Dear Parents and Carers

Wider reopening for Year 10 and 12 students

We were very pleased to welcome our Year 12s back into school last week and we are excited, too, at the prospect of Year 10 students coming into school on Wednesday, Thursday or Friday of this week! The return of the Year 12s went very well indeed and provided all of our Year 10s follow the Reopening Guidelines we have shared, we are confident that their return will be smooth, too. It would be great if parents could spend a few minutes going over the Reopening Schools Guidelines booklet with their Year 10 children over the next day or two – we all want this to go very well.

Just a gentle reminder that Year 10s should be in uniform (blazers are optional) on their day in school.

Please tell your children that we are genuinely looking forward to seeing them back in school; we have missed them!

Looking ahead to September 2020

Recent announcements by the Government suggest there is a chance that schools will be open for all students from September. We are keen to have all of our students back in school as much as possible and as soon as possible, provided we can do that safely. We are watching carefully the announcements from Government and we will keep you fully informed of our plans for September, including sending you information throughout the summer holiday if necessary.

Provision for students in all year groups at this time

This week, we are creating a table that aims to show the main ways in which we are providing for students in all subjects and all year groups, to give parents an overview of what the school is doing. Once that is done, we will put it on our website and signpost it for you.

Stay safe. We are Hinchbrooke.

Best wishes

Mark Patterson
Principal
