Parents Survey, HBK Lockdown

Dear Parents and Carers

Please find below a link to a parent view survey that we would be grateful if you could complete.

<https://www.surveymonkey.co.uk/r/DVCKQ9N>

This survey seeks parents' views about how the school is doing during lockdown. It consists of a series of questions and then there is a comments section at the end, should you wish to explain any of your answers or tell us anything else. Thank you very much for completing this survey.

Kind regards

Mark Patterson
Principal
