## **HBK Update, Friday 17 July 2020**

Dear Parents and Carers

### **Virtual Sports Day, Wednesday 22 July**

We will be finishing the year with our first Virtual Sports Day event on Wednesday 22 July! All students are invited to take part in a range of virtual events to represent their House team for one last time during these strange times!

Students will receive resources and instructions via their school email account, on Doodle, and through Microsoft Teams. We have asked teachers to not set work for this day in order to allow students time to take part in the activities provided. All activities require minimal resources and are designed with the current situation in mind so that students can participate within their chosen events with minimal disruption. Please note that this means that Year 10 student group, who would normally attend school on Wednesday mornings, should NOT attend next Wednesday 22 July.

We look forward to receiving students' entries! Results will be revealed in September!

### **Amazing students commendations from teachers!**

Please find attached the third and final list of student commendations provided by teachers. Congratulations to all of the students whose names are on this list or were on the previous lists! Congratulations, too, and thank you to ALL students who have worked hard over Lockdown; we are very grateful and I would ask parents to say this to their children on our behalf.

### **September reopening information for families**

We are finalising the detailed information for families now and we intend to publish it on Monday or latest Tuesday next week. This will include a September Reopening Booklet with all the information that we think families will need to know about September and a letter from Mrs Tandy, the Vice-Principal, who has compiled the booklet.

Best wishes

Mark Patterson  
Principal
