

HINCHINGBROOKE SCHOOL ADMISSION POLICY

The Governing Body of Hinchingbrooke School is the admission authority for the School. This means that it is the Governing Body that sets and applies the admissions policy for the School. All Policy decisions regarding the admission of children into the School are made by a sub-committee of the Governing Body.

How to Apply for Admission to Year 7 (September of next Academic Year)

The application process for admissions into Year 7 is co-ordinated by Cambridgeshire Local Authority (LA), which acts on behalf of the governing body to offer places at the School. Parents should apply online at www.cambridgeshire.gov.uk/admissions or submit a Cambridgeshire Application Form, available from their child's primary school or from the LA Admissions Team, no later than the national closing date on 31st October. Offer letters will be issued by the LA on the National Offer Date (1st March or first working day after). How Places are Offered

For admission into Year 7, in September 2021, the LA, on behalf of the Governing Body, will offer places to 350 children. This is the Published Admission Number (PAN) for that year group. In the event that more than 350 applications are received, the oversubscription criteria will be applied to determine priority for places. All preferences are treated equally.

Oversubscription Criteria

Children whose Education, Health and Care Plan (EHCP) names the school take priority over all other applicants and will be admitted irrespective of whether there are places available in the year group. Those children with an EHCP that does not name the school will be referred to the Statutory Assessment and Resources (STAR) Team to determine an appropriate place.

Thereafter the following criteria will be applied:

1. Children in Care (CIC), also Children Looked After (CLA), and children who were looked after but ceased to be so by reason of adoption, a resident order or special guardianship order;
2. Children who, appear to the Admission Authority to, have been in State care outside of England and ceased to be in State care as a result of being adopted;
3. Children of Hinchbrooke School staff, who have been employed at the school for two or more years, at the time at which the application for admission to the school is made, and/or the member of staff is recruited to fill a vacant post from which there is a demonstrable skill shortage;
4. Children who live in the catchment area, attend primary schools within the catchment area and who have a sibling at the school at the time of admission;
5. Children who live in the catchment area, with a sibling at the school at the time of admission;
6. Children who live in the catchment area, who attend the primary schools within it;
7. Children who live in the catchment area;
8. Children who live outside the catchment area, who attend primary schools within it, and who have a sibling at the school at the time of admission;

9. Children who live outside the catchment area who have a sibling at the school at the time of admission;
10. Children who live outside the catchment area who attend the primary schools within the catchment area;
11. Children who live outside the catchment area, but nearest the school as measured by a straight line.

In cases of equal merit, priority will go to children living nearest the school according to the shortest straight-line distance. The distance, for admissions purposes, is measured using the straight-line distance from the reference point of the home to the reference point of the school.

- a Sibling means any child of compulsory school age living in the same family unit.
- b. Home address means the place the child resides for the majority of school nights with an adult who has parental responsibility.

Where the school is unable to meet the preference expressed the application form will, where other preferences are listed, be forwarded to the LA Admissions team to process.

In the event of over-subscription, the criteria set out above will be applied and places offered in accordance with those criteria.

Parents wishing to visit the school, prior to submitting an application are welcome to do so. However, this is not always possible to organise at short notice and visits are usually conducted in small groups. Visits are not interviews and do not affect any decision regarding the availability of a place.

Reserve Lists

Year 7

As part of the co-ordinated scheme for secondary admissions, the LA Admissions Team holds the initial reserve list on behalf of the governing body in the case of Hinchingsbrooke School, this is then passed to the school to manage at the start of the new academic year.

Parents will be contacted if a place becomes available for their child but should be aware that their child's place on a reserve list may change if an application is subsequently received that meets a higher criterion than their own.

In-Year Applications

You can submit an application for a school place up to 30 school days before the intended start date.

Please allow 10 school days before you enquire about the progress or status of your application.

If we do not receive a valid application, or the correct documentary evidence, this will delay your offer of a place.

Where an in-year application is received, the child's details will be held on a reserve list by the school for a period of two terms, which will include the term of application. After this time if parents wish their child(ren) to remain on the list they should contact the school. Please note names held on the reserve list will **not** be carried over to a new school year.

Applications will be ordered on the list according to the over-subscription criteria and when places become available, they will be offered accordingly. Parents should be aware that their place on the waiting list may vary if applications are subsequently received which meet a criterion higher on the list than their own.

It is our policy (and in accordance with Cambridgeshire County Council's policy) to admit children to the year group appropriate to their date of birth. You may seek a place outside your child's normal age group in exceptional circumstances. For example, your child has experienced problems such as ill health. For more information please contact the school or Local Authority's Admissions Teams.

Coming from an educational system abroad, or not speaking English as their first language, will not normally be considered as an exceptional circumstance. Support is available within the correct year group for these children.

Appeals

The parent(s) of any child who is refused a place at the school has a right of appeal to an independent Appeals Panel. The panel consists of three people who are independent of the school, the school's Governing Body and the Local Authority. The panel will consider the circumstances of the case put before them. Both the Governing Body and the parents must abide by the decision it makes.

Appeals in relation to co-ordinated admission to Year 7 are currently arranged by the LA Admissions Team on behalf of the Governing Body. Further information and appeal forms are available from the Admissions Team.

Appeals in relation to In Year Admission to all Year Groups are arranged by Hinchingsbrooke School. Further information is available from the School's Admissions Team or the website [Hinchingsbrooke School - Admissions & Leavers](#).
