

What Do the Colours of the Progress Pride Flag Mean?

You may have noticed that the LGBTQIA+ Pride flag displayed every June for Pride month was a simple red to purple rainbow, but a new and slightly different flag has been flying in its place in the last few years. This new flag is called the **Progress Pride Flag** created in 2018

Red =
Life

Orange =
Healing

Yellow =
Sunlight

Green =
Nature

Blue =
Harmony

Purple =
Spirit

White, Pink & Blue =
Trans Community

Black & Brown =
Diversity &
Inclusion

Why do we use the rainbow as a symbol of Pride?

“Rainbow flags tend to be used as a sign of a new era, of hope, or of social change”

The flag is a sign of inclusion and welcome
