

## Legacy Award 2022

### And the award goes to...

*Year 7 students - I am proud that, despite not having Taster Days due to Covid, and being the largest ever year group in Hinchingbrooke School's history, you have come together as a unit and are an integral part of the HBK community – Mr Milner*

*Year 8 students - This year has been a tough year and you have met every challenge with positivity and kindness. I am so proud of you all and look forward to our KS4 journey together – Mrs Nichols*

*Year 9 students – Despite a journey of challenges, ups and downs, we have worked together and come out the other side. Although it was our first full year back at school, I look forward to the many achievements to come. Thank you for welcoming me into the Year 9 community, here's to the next two years – Miss King*

*Year 10 students - I am proud of how you embraced Work Experience. Since coming back this Summer term you have shown a real maturity towards your studies. I am also incredibly proud of how inclusive a year group you are and how you support each other during difficult times, both in the classroom and beyond. During your first full GCSE exam you demonstrated a real passion for success and embraced the challenges exams bring. I'm looking forward to next year and know that you will all rise to the occasion - Mr Hobley*

*Year 11 students - I am so proud of the way that you as Year 11 students embraced the challenge of two rounds of Mock exams and a full summer GCSE exam programme. You were the first year group to do so since 2019 and you aced it! I can't wait to celebrate your amazing results with you all in August – Mrs Pugh*

*Sixth Form students - Whether through their leadership roles, their academic progress and achievements or their participation in the wider life of the school, HBK Sixth Formers make us proud every day. We take pride in the fact that Sixth Formers set an example to younger students in the school, providing someone to aspire to in the future – Mrs Moyes & Mrs Black*
