

**Fact: 15% of the world's population have a disability**

**Fact: Disabilities can be visible and invisible**

**See the person not the disability**

**Question: What could we do in our school to be more inclusive to people with disabilities?**

**Question: What could **you** do as an individual?**

**Language is important, we wouldn't use discriminatory language about race, gender, sexuality or religion, so the same applies to disabilities**
