**Year 7 students** – Many of you arrived at Hinchingsbrooke in September with a positive attitude and you've made a really positive impact on our community during your first year here. I want to wish you all well and remind you that you will get out of Hinchingsbrooke what you put in. So, moving forward, take your chances, embrace all the opportunities offered to you, and strive to be the best version of yourselves. I look forward to seeing you all thrive as you move into Year 8. – **Mr Milner**

You truly embody the HBK values: Hard Work, Kindness, and High Standards. Your ability to reflect on mistakes and celebrate successes fills me with joy as your head of year. This year has also seen you make significant decisions, especially regarding your GCSE studies. I have full confidence that, come September, you'll be ready to embrace the next phase of your journey. It feels like just yesterday we had our first assembly together as a year group. The next three years promise to be wonderful, and I am excited to see all that you will achieve. – **Mr Hobley**
