

International Women's Day

8 March

International Women's Day is celebrated on the 8th March, every year. Commemorating women's fight for equality and liberation along with the Women's Rights Movement

A call to action to speed up progress towards gender equality

The theme for International Women's Day 2026 is "Accelerate Action"

International Women's Day highlights important issues such as gender equality, reproductive rights, and the promotion of safety, dignity, and respect for women

Celebrating the achievements of women everywhere and standing together for equality, respect, and opportunities for all
