Many thanks for the reply slips received for the Science Information Afternoon this Thursday. There are still spaces left if you would like to attend. Please complete the reply slip below and return it by Thursday this week. The afternoon runs from 4:30pm to 5:30pm and consists of a presentation followed by a question and answer session.

We will cover the changes to the specifications, changes to the examination structure, the different routes offered and details about the controlled assessments.

Tea and coffee will be available. The meeting will be held in the Assembly Room in Hinchbrook House.
