Dear Parent/Carer

Year 10 Parents' Consultation Evening Monday 26 November 2012

I am writing to invite you to meet your son's/daughter's subject teachers and to discuss his/her progress.

Members of staff will be present from 4.30 pm to 7.00 pm on Monday 26 November. For this Parents' Evening, we are using the **on-line booking system**. Once you have decided which teachers you wish to see, please use the instructions on the next page to access the new system. We hope that this will make the process easier for you.

If you are unable to access or use the online system, please ask your son/daughter to contact Sam Bray in Student Reception with the names of the subject teachers you would like to see. Alternatively, you can contact Sam Bray yourself on 01480 375700 Ext. 5702 and she will make appointments for you. If you are unable to make an appointment with a teacher or teachers because there are no available slots, please contact the teacher directly via e-mail or telephone to discuss your child's progress.

Signing in

In the past staff have been uncertain whether parents are present during the evening. To solve this, on arrival please report to the **History Area, in Middle School** and tick off your name on the sign-in lists. There will also be a notice indicating if any teachers are absent through illness.

Keeping moving

You may make up to eight, 5 minute appointments, with a **5-minute gap** in between to allow for movement around the buildings. It would be much appreciated if teachers and parents could keep their conversations concise so that the schedule can be followed as closely as possible. At the same time I would ask everybody to be as co-operative, understanding and patient as possible. If a serious concern emerges during a conversation, a teacher will always be pleased to arrange to see you on a separate occasion to examine the issue in greater depth. Mr Brennan, Assistant Principal, will also be available if you wish to discuss a particular issue with him.

Finding your way

The Middle School will be clearly signposted to guide you to the interview rooms. A map of the Middle School, (to help you find the rooms in which the teachers will be available to meet you), can be found on page 19 of the student planner.

As the end of the first term of Year 10 closes, I hope that you will be able to meet your son/daughter's teachers in order to celebrate their success and/or identify any problems which may be solved through early action.

Please confirm your intention to attend by either emailing sab@hinchbk.cambs.sch.uk or by sending the reply slip below to Sam Bray in Student Reception.

Yours faithfully

Jackie Hodgson
