

11th December 2012

Dear Parents/Carers,

Science Revision Sessions

Many year 11 students are re-sitting science modules in January. To help students prepare for their exams, teaching staff are available at the following times for revision sessions/drop ins. These sessions will run until the date of the January exams. It is always useful for students to come to the revision sessions with specific topics or concepts in mind in order to maximise this opportunity.

Exam dates are: Biology – Wednesday 9th January

Chemistry – Monday 14th January

Physics – Thursday 17th January
