Inspiring excellence Fulfilling potential
A DfE Academy with a Specialism in Sport

14 December 2012

Dear Parents/Carers

I wrote to you just before Half Term to outline some of the actions and key dates for Year 11 students and their parents, and can now provide more detail on a talk for all Year 11 parents by Geoff Hannan on 17 January.

Geoff is a leading expert in outstanding learning and teaching, and a renowned international trainer. He has developed a complete method for the practice and delivery of excellence in education. His motivational methods are proven to raise attainment and enable students and their parents to fulfil educational potential.

His talk will offer suggestions and strategies for how you can support your child in this crucial run-up to their public examinations. He will cover how you can support their learning at home, and introduce some powerful motivational theories and techniques for teenagers. A range of materials for you to take away will also be available. He will have spoken to all Year 11 students, and staff, earlier in the day.

This event will take place in the Performing Arts Centre and will begin at 6.30pm on 17 January. It will last for approximately 1 hour. To reserve your seats, please complete the form below and return to Nicki Cartwright, Subject Leaders' Assistant, via Student reception. Alternatively, you can email her (NBC@hinchbk.cambs.sch.uk) to reserve your places, or if you have any further questions. I look forward to seeing you on the 17th January.

Yours faithfully,

Lee Walker
Vice Principal
