Dear Parents/Carers

## Year 11 - Revision Masterclasses 2013

During Study Leave for Year 11 students, there will be a number of master classes (see table below). During these sessions, subject staff will provide last minute recaps of key facts, essay plans, summaries of specific topics and general last minute guidance, hints and tips. They do not replace the normal revision that your son or daughter will be engaged in, nor are they compulsory (as many students will prefer to use this time for last minute revision at home, or may be sitting another exam at the time of the master class). Breakfast sessions will take place in the PAC from 8.15 on the morning of an exam. Fruit, water and cereal bars will be provided. Again, the breakfasts provide an opportunity for last minute recap, and as many staff as possible from the relevant subject will be attending, to reassure students and answer last minute questions.
