Dear Parent/Carer

### **Year 9 Parents' Consultation Evening Tuesday 25<sup>th</sup> February**

I am writing to invite you to meet your son's/daughter's subject teachers and to discuss his/her progress. This will also be an opportunity to discuss with staff the suitability of chosen courses for post-14 options.

Members of staff will be present from 4.30pm to 7.00pm on Tuesday 25th February. For this Parents' Evening, we are using our **on-line booking system**. Once you have decided which teachers you wish to see, please use the instructions on the next page to access the system. We hope that this will make the process easier for you.

If you are unable to access or use the online system, please contact Julie Connor in the Middle School Office 01480 420506. If you are unable to make an appointment with a teacher or teachers because there are no available slots, please contact the teacher directly via e-mail or telephone to discuss your child's progress.

In the past staff have been uncertain whether parents are present during the evening. To solve this, on arrival please report to the **Maths Area, in Middle School** and tick off your name on the sign-in lists. There will also be a notice indicating if any teachers are absent through illness.

#### **Keeping moving**

You may make up to eight, 5 minute appointments, with a **5-minute gap** in between to allow for movement around the buildings. It would be much appreciated if teachers and parents could keep their conversations concise so that the schedule can be followed as closely as possible. At the same time I would ask everybody to be as co-operative, understanding and patient as possible. If a serious concern emerges during a conversation, a teacher will always be pleased to arrange to see you on a separate occasion to examine the issue in greater depth. Mr Heath, Assistant Principal, will also be available if you wish to discuss a particular issue with him. There will also be a parental questionnaire available that we would like you to complete on the night.

#### **Finding your way**

The Middle School will be clearly signposted to guide you to the interview rooms. A map of the Middle School, to help you locate teachers' rooms, will be available on the evening.

I hope that you will be able to meet your son/daughter's teachers in order to celebrate their success and/or identify any problems which may be solved through early action.

Yours faithfully

Mr D Milner
